Reviews are conducted in order of receipt and completed within six weeks. Failure to include all required items will result in the need for additional reviews. Each subsequent review takes six weeks from the date of document receipt.

In order to protect candidates from miscommunication or misinformation, CCE asks applicants to submit in writing any questions regarding their education review. Questions can be sent via e-mail, postal mail or fax. CCE responds to all questions in the order they are received.

Applicant Appeal of CCE Review Results

As an applicant for licensure education review, you have the right to appeal the findings on the education review completed by CCE. Please be aware that all applications for education equivalency review in Colorado are reviewed by CCE, which is the contracted agent for the Colorado State Board of Marriage and Family Therapist Examiners, and the credential review is based on the Colorado Code of Law, Section 12-43-504 and Rule 14: Colorado Board of Marriage and Family Therapist Examiners Rules. These requirements must be met in full.

After the Colorado Board reviews the documents and has made the final decision regarding the appeal, a letter will be sent from DORA to the applicant. It is the applicant's responsibility to send a copy of the letter received from the Board to CCE.

Note: CCE cannot proceed with the application until the letter is received.
